Our Parks

Our Parks exists to ensure that easy, barrier free access to quality exercise is available to everyone.

Our Parks aims to;

- Inspire the improved health and wellbeing of local communities.
- Maximise the benefits of using community parks and open spaces.
- Enhance the interaction of individuals and communities.

The workforce who deliver Our Parks sessions are known as Coach Parkers. Coach Parkers are the driving force behind the free, fun, and inclusive fitness-based activities Our Parks deliver across the parks and green spaces in the UK.

In order to roll out Coach Parker Level 2 courses, we will require a number of tutors and assistant tutors to deliver these qualifications.

Interested in becoming a Tutor?

Our Parks, UK Coaching BUCS have partnered to offer you the opportunity to qualify as a tutor for the 1st4Sport Level 2 Coach Parker qualification. This level 2 qualification is a blended learning journey consisting of eLearning modules, complimented by full access to the UK Coaching learning and development platform and a face-to-face practical learning and assessment day that you will be required to deliver.

The Coach Parker qualification allows its qualified candidates to deliver physical activity outdors for up to 30 people, in the following formats:

- Outdoor group exercise circuits
- Outdoor group exercise bootcamps
- Outdoor group exercise HIIT sessions
- Outdoor full body weight fitness sessions
- General outdoor fitness sessions

They can then deliver on existing Our Parks programmes or even start up new Our Parks sessions in their local parks and green spaces.
