

## **BUCS Development Event – Football and Futsal Conference**

**Wednesday 26<sup>th</sup> June 2019– King Power Stadium**

2019 is BUCS Centenary year and a milestone for the HE sporting sector, with the theme of BUCS Conference 2019 being '100 years of University Sport'. In line with this theme the BUCS Football and Futsal Conference will act as a celebration of HE Football and Futsal.

With the FA's substantial investment into the development of the Football and Futsal pathways within HE alongside Football being the largest BUCS Team Sport and Futsal being the fastest growing sport across BUCS in the last eight years, it's time we raised the profile of the innovative work taking place across the sector and the lives that have been enhanced as a result.

As well as recognising achievements across the sector the conference will also outline the importance, impact, value and contribution of Football and Futsal within the university environment and the wider sporting landscape while looking towards the future successes and challenges that lie ahead. The conference will feature a variety of Ted Talks from institutions and partners across a wide range of topics relevant for Football and Futsal, as well as a Celebration event and evening of networking with drinks and food included. Please ensure you have signed up to the evening networking session via the online booking form.

This celebration event will shine a light on institutions, initiatives and people who have enhanced others' lives through the power of Football and/or Futsal.
