

## BUCS Regatta 2023

### UPDATE TO PROGRESSIONS

*28 April, 13:30*

Due to the forecast conditions, the Race Committee has decided that events with 6 or fewer entries will **no longer race a time trial**, but proceed to a straight final. The events are:

W Ch Lwt 4- (Sunday)  
M Ch 2x (Sunday)  
W Ch Lwt 1x (Sunday)  
W Ch 4+ (Monday)  
W Int Lwt 4x (Monday)

As per the published draw schemes, the time trial order has been seeded based on the A final of last year's BUCS Regatta, and the same seeding will be used for the A final lane allocation.

There are currently also several events with 7 entries. Should there be scratches in these events, the Race Committee will make a decision regarding the time trial at the earliest possible opportunity and inform the remaining entered Clubs.

For the lightweight events listed above, as per rule 3.3, competitors may still weigh in from 2 hours before the racing day (i.e. 06:00), but will be permitted to weigh in until 1 hour before the start time of their **final**.
