Travel information

The GB Students Snowsport delegation is anticipated to arrive at Changchun Longjia International Airport (CGQ), the official entry point, in line with the official arrival and departure dates for the relevant sporting disciplines.

Travel and competition dates are based on the FISU draft schedule (as of 1 June 2026), available [here](#). As FISU and the OC may continue to update the schedule, please check online for the latest version.

Based on the current schedule, GB Snowsports and BUCS have developed a draft travel plan to help determine the anticipated number of days at the event and estimate the associated costs for each event, as shown above. Costs are presented as a range to reflect the current uncertainty around travel dates, duration of stay and final delegation numbers.

As the competition schedule remains provisional, all costs are indicative estimates. We aim to confirm the final costs once the OC publishes the final schedule and our delegation numbers are confirmed following completion of all sport selections, expected by mid-to-late October.

These travel dates allow 48 hrs to land and settle at the event, aligning also to the FISU Technical regulations which state: *Athletes taking part in the Winter Universiade must arrive in the Universiade Village at least 48 hours before their first competition.*

Once your selection has been accepted, Amy Garrett, the International Student Sport Coordinator, will be in touch to discuss the competition schedule and your proposed travel plans, and to agree the most appropriate travel arrangements so SnowSport Athletes can book their own return flights and UK transfers. This will also help us finalise costs and total nights staying at the event.

Appeals

Any Appeal against a decision of the Selection Panel must follow strict procedures. The following procedure is applicable to all disciplines in respect of Selections.

Any Appeal against Selection for an Olympic Games must follow the Appeal Process laid down in the Olympic Games Selection Policy.

Grounds of Appeal

An athlete, or their Authorized Representative, ("the Appellant"), may make an Appeal against a Selection decision only on one or more of the following grounds:

- there has been a failure to apply the Criteria contained in the relevant Schedule correctly;
- the Selection Panel has failed to follow its procedures properly; and/or
- the Selection Panel's discretion has not been exercised in a reasonable manner and that such discretion was exercised in such a way as to be prejudicial to the Appellant.

The Process

In the first instance an Appeal is made to the Selection Panel, who will consider the Appeal and respond, either:

- a) agreeing with the Appellant and changing the original decision; or
- b) rejecting the Appellant's Appeal and explaining its reasons for the decision.

If an Appellant is not satisfied with the outcome of the Selection Panel's further deliberations, then the Appellant may make a further Appeal ("the Second Appeal Notice") to a different panel, the Appeal Panel ("the Appeal Panel"), based on the same grounds of Appeal and Appeal Notice.

Outcomes available to the Appeal Panel are:

- to confirm the Selection decision under Appeal and reject the Appeal; or
- to refer the Selection decision under Appeal back to the Selection Panel, identifying errors they have made in their deliberations or process, (as per the grounds outlined in clause 7.3), and requesting a new decision is made, or the original decision is confirmed correcting any errors made by the Selection Panel within a timeframe which allows their conclusions to be implemented.

How to Appeal

- An Appeal Process is commenced by the Appellant, addressing an email to the Chair of the Selection Panel appealing against a decision made by the Selection Panel that resulted in the athlete not being selected. ("Notice of Appeal"). The email should be sent to appeals@gbsnowsport.com. The email must be sent within 2 business days of the notification of Selection/non-Selection.

The Notice of Appeal must clearly set out the details of the decision which is being appealed and include full details of the Appellant's ground(s) of Appeal. The Notice of Appeal should attach any documents or written evidence relevant to the grounds of Appeal and which are relied upon by the Appellant.

All Appeals must be accompanied by a bank transfer of £250 which will be refunded should the Appeal be upheld under Clause 7.6.2 above.

Following the Appellant being informed of the outcome of the Selection Panel's further deliberations under Clause 7.4, the Appellant can raise a Second Appeal Notice if they do not agree with the outcome of the Selection Panels further deliberations. The Second Appeal Notice is reviewed by an independent Appeal Panel. The Second Appeal Notice must be made via email to appeals@gbsnowsport.com and be received by GBS within 2 business days (Squad Selection), or 1 business day (Competition Selection) of the Appellant being informed of the Selection Panel's decision under Clause 6.4. For EYOF 2025, given tight deadlines set by the IOC, the Second Appeal Notice must be received by GBS within 2 hours of the Appellant being informed of the Selection Panel's decision under Clause 7.4.

In the event of any Appeal, minutes of the Selection Panel's Selection decisions or of any Appeal hearing will be made available to the Appellant upon request and will be provided within one business day of such request. In some cases, it may be necessary to redact elements of the relevant minutes.

The Appeal Panel

GBS will nominate an Appeal Panel of at least 3 members, none of whom sat on the Selection Panel, and none of whom are conflicted. One of the members of the Appeal Panel will have a legal background. The members will select a Chair of the Appeal Panel.

The Appeal Panel must receive the Second Appeal Notice within the time frames stated in Clause 7.10. The only fee required is when the Appellant first makes an Appeal to the Selection Panel. A second fee is not required if the Appeal reaches the Appeal Panel.

The Chair of the Appeal Panel will convene a meeting to take place within 5 business days of the Second Appeal Notice, (Squad Selection) or, if urgent for reasons of a specific event, then to take place within a time frame which allows their conclusions to be implemented.

The Appeal Panel will investigate the grounds of Appeal set out in the Second Appeal Notice and establish, to their reasonable satisfaction, which of the outcomes set out in Clause 6.6 is appropriate. The Chair of the Appeal Panel will notify the Selection Panel and the Appellant of their decision immediately after the meeting.

The decision of the Appeal Panel, and if required, subsequent review by the Selection Panel, following the Second Appeal Notice is final. No further Appeal of the same initial grounds of appeal will be considered.
