The only permissible use of drones will be with the express permission of BUCS for professional companies with appropriate licenses, insurance, risk assessments and in line with all the requirements of the CAA (Civil Aviation Authority). The unauthorised use of drones will result in disciplinary action under REG 5, and the relevant authorities being notified e.g. CAA.

REG 7.7 Disputes at events Should a dispute occur the following procedure will operate:

REG 7.7.1 A dispute shall be presented, with supporting evidence, to the Tournament Director (TD) or BUCS Executive representative within 30 minutes (unless otherwise specified in the rules of the relevant International Governing Body or National Governing Body of the sport concerned or the relevant BUCS sport specific regulations) of the dispute occurring or becoming known. If the dispute is not raised within this timeframe, an appeal will not be permitted.

REG 7.7.2 The dispute shall be raised by the club/team captain, who may be accompanied by one other individual (e.g. a coach). The TD or BUCS Executive representative may not hear the dispute if there are more than two people present when it is being raised.

REG 7.7.5 Decision A decision based on the submission(s) of the relevant party/parties and on established precedents shall be made. Any sanctions imposed will be guided by the Sanctions Guideline in Appendix 11 ('BUCS Disciplinary Sanction Guidelines'). The decision, and any sanctions will be communicated to the institution(s) immediately. The decision of the events appeal panel will be final.

REG 7.8 Cancellation

REG 7.8.1 Whenever possible, at least 48 hours' notice of cancellation of a BUCS event should be given to participating institutions, officials and volunteers, except in cases of force majeure where notice of cancellation should be given as soon as possible after the requirement for cancellation being identified.

REG 7.8.2 BUCS will not be responsible for reimbursing any expenses incurred by an institution/Playing Entity, Athletic Union (or equivalent), or any of its constituent clubs or individual members in the cancellation of any BUCS event.

REG 7.9 Withdrawals and refunds The following shall apply to all Individual and Team Championship events with the exception of Equestrian and Indoor Cricket which have their own equivalent sport specific regulations in place.

REG 7.9.1 Prior to the event entry closing date, any entries submitted can be amended or removed. There is no charge to amend an entry prior to the deadline. Entry fees will not be charged for entries removed prior to the deadline.

REG 7.9.2 Once the event entry closing date has passed, entry fees will be charged for all entries submitted except for where any of the following apply:

- If BUCS has rejected an entry for not meeting the criteria, the institution will not be charged the entry fee. For example, an entry is rejected in Athletics for not meeting an entry standard.
- If BUCS has rejected an entry due to the event having reached capacity, the institution will not be charged the entry fee. Please note: For events which operate a reserve list for entries not initially accepted into the event, if an entry is not withdrawn from the reserve list and is subsequently added to the event, the entry fee will be charged.

REG 7.9.3 Once the event entry closing date has passed, most events do not charge a fine for withdrawals up to 'x' time prior to the event. However, after this period, most events will charge a fine for 'late withdrawals' or 'no-shows'. This will all be detailed in the entry information for each event, including how withdrawal requests must be submitted. Fines for 'late withdrawals' or 'no-shows' will not be charged where an individual/member of a team needs to withdraw for medical reasons (and where applicable they are not able to be replaced) and this can be evidenced by a medical/doctor's note.

REG 7.9.4 As stated in REG 7.9.2 and REG 7.9.3, some events will offer the opportunity for institutions to replace individuals/teams who are no longer able to compete, using other individuals/teams entered elsewhere in the event or that they have registered on a specific reserve list. Any events which have a substitution policy will have this clearly detailed in the entry information. Alternatively, some events which are often oversubscribed will place any entries not initially accepted onto a reserve list and individuals/teams from this reserve list will be called up to replace any withdrawals/no-shows in accordance with the event specific policy.
