BUGS COMPETITIONS PROGRAMME SCORING OUTCOMES 2025-26

The below table shows the scoring outcomes of events from the 2025-26 season after they have been through the event review process.

The scoring outcome determines the level of review required to enable improvement the following season. For example a red event will undertake a significant review, an amber event will undertake a standard review and a green event will undertake a basic review with the aim to improve on the scoring outcome for the 2026-27 season. If you would like to know more about this process then please contact [Jo Smith](#).
