

BRITISH UNIVERSITY (COLLEGE) TENNIS PROGRAMME

**Enjoyed College Tennis?
Want to continue?**

**With no 4 year eligibility restrictions, British University Tennis
could be for you and here's why:**

- We have a world-class training and competition schedule in our top tennis schools to extend your tennis and studies
- In Britain you will find one of the best education systems in the world, including specialist, sport post-graduate degrees
- Highly competitive team matches can be complemented with tournaments in Britain, if you're aiming for ATP/WTa points
- We have a player-centred approach and flexible options for study
- If you're considering tennis as a career, our top tennis schools specialise in developing employability skills
- Travel distances are small and British and European culture is never far away
- While there are academic/living costs, tennis costs are usually covered
- Deadlines vary, usually best to apply early in the year for a September start
