

BUCS Rowing Regatta 2021

Car and Trailing Parking Map

Trailer parking

Institutions are required to park trailers in one of the three areas shown on the map. These are designated for trailer parking only. Space is available on a first come first served basis. Once an area is full; parking stewards will close the area and advise where there is remaining space for trailers.

Please note: area **trailer parking 2** will be closed to towing vehicles from 21:00 Wednesday 23 June to 17:00 Saturday 26 June. This is to provide a vehicle free area to crews rigging and maintaining boats. If an institution intends to leave the venue before 17:00 on Saturday they should park their trailer(s) in **trailer parking 1** or **3** for immediate access.

Car parking

Parking stewards employed by NWSC will be located at the entrances to venue car parks to collect parking fees and assist with directions and availability of spaces.

A three day car parking ticket can be bought for £10 cash on arrival, entitling the user to park on site over Thursday, Friday and Saturday. A daily rate of £5 is also available.

BUCS is not responsible for car parking at the venue.
