

The Park Estate Parking Plan for Nottingham Squash Rackets Club Events

Coaches or large vehicles to drop off at the entrance to the club or on Tattershall Drive and then park on the single blue line immediately abutting the rear boundary of the club on Cavendish Road East and clearly displaying the dated NSRC event parking pass provided in the windscreen of the vehicle. The same area will also be used as overflow parking for cars clearly displaying the dated NSRC event parking pass.

A plan/map of the agreed parking areas will be provided on the rear of the event parking pass along with a list of the parking restrictions and will be issued to every visitor.

It is agreed between NSRC and NPEL that PCN's will be issued if:

- The attached dated event parking pass is not displayed in the window of the vehicle
- A vehicle is parked on double blue lines
- A vehicle is parked on any of the footways within The Park Estate
- If a vehicle is parked outside of the agreed event parking area's
- If a vehicle is blocking a residents driveway or garage

A display outlining the parking plan for The Park Estate will be on display within the NSRC main entrance for the duration of the event.
