Welcome to Appleton rifle club for the B.U.C.S. Long Range Championship.

Upon arrival, please book in at the stats hut where team captains will be issued with the team's stickers. At this stage captains will be able to amend the make up of the various teams prior to commencing shooting should any team members not be attending.

The course of fire for this competition is 40 shots at 50m and 40 shots at 100yds over 2x 20 minute details at each range.

As you can see from the squadding sheet each university has been allocated a single or number of firing points, depending on the numbers attending by doing this it gives the team captains a chance to organize their team members prior to the shoot. Please ensure you make full use of the firing point allocated.

There will be a number of range officers available for help throughout and refreshments will be available all day.

Directions and location of the range can be found on our website [www.appletonrc.co.uk](http://www.appletonrc.co.uk)
