

BUCS GYMNASTICS CHAMPIONSHIPS

Event Criteria for hosting in 2026-27, 2027-28, 2028-29

Event Overview

The BUCS Gymnastics Championships showcases the very best student Gymnasts and over the two-day event. The event enables all levels of competition, from beginners to experienced gymnasts, giving exciting opportunities for those that are entering the sport as well as those who compete on all apparatus, based on the full FIG Code of points. This variety of competition creates an exciting, diverse and energetic atmosphere.

On day one we usually run the Women's Artistic Gymnastics (WAG) 4 piece competition alongside a Floor and Vault competition simultaneously. On day two we usually run a Men's Artistic Gymnastics (MAG) 6 piece competition alongside a Floor and Vault competition simultaneously

The ability to run dual Floor and Vault competitions alongside the MAG and/or WAG competition would be an advantage. Dependant on the space available, this format is flexible and can change.

This tender is for the 2026-27 for a 3 year agreement, a break clause will exist between BUCS and the host venue should it be required by either party following year one.
