<p>6. NGB Updates</p> <p>NGB not rules and regs review and looking into language around Helmet and equipment use and safety past a certain age. Will be adjusting playing rules.</p> <p>NGB noted they have also received concerns regarding higher-level players competing in the UK game, particularly. Similar to SAG in aim to continue to promote playing and participation in the sport as a whole there this does not fit with aims and would exclude individuals due to nationality or prior experience. Group noted in this mainly being</p> <ul style="list-style-type: none"> a. American players following university seasons b. Players associated with US Air Force bases <p>Currently preparing for the National League schedule.</p> <p>Planning to add Flag Football Finals to the National League Finals:</p> <ul style="list-style-type: none"> c. To provide a consistent finals experience across both formats 	<p>CW/AM</p>
<p>7. BUCS American Football Safety</p> <ul style="list-style-type: none"> • Concerns have been raised to BUCS regarding safety within the sport, including: <ul style="list-style-type: none"> ○ Increased concussion rates ○ Concerns around postgraduate international students participating • SAG noted these concerns but reiterated that: <ul style="list-style-type: none"> ○ This is a student sport ○ Limiting participation would not be in the best interests of students • It was noted that: <ul style="list-style-type: none"> ○ Determining prior playing experience as a safety metric is difficult ○ Limiting participation based on nationality is problematic, particularly for students with no prior experience • SAG is unaware of data supporting an increase in concussions. • It was noted via the LMC (National League) that an injury surveillance study is being conducted by a member at Leeds Beckett University. <ul style="list-style-type: none"> ○ Once available, this data will be shared with SAG. • SAG agreed that injury prevention is a key focus. <ul style="list-style-type: none"> ○ Improved coaching in fundamentals and technique is believed to reduce injury risk. • A member highlighted a falling/tackling coaching model currently being trialled to reduce injury. 	<p>DM</p>

<ul style="list-style-type: none"> Coaching review is underway within BAFCA, aiming to improve coaching quality. SAG position: <ul style="list-style-type: none"> The sport carries inherent risk due to its contact nature British American Football is actively working to improve: <ul style="list-style-type: none"> Coaching standards Equipment awareness
