

A word from our referee, Mike Newman...

Do you know the rules?

I have listed some general rules to help you when competing in a DB Max triathlon. Please remember them as you may be penalised with a 2-minute penalty, or even disqualified if you don't observe the rules.

This document aims to acquaint you with the most widely broken rules, so you never have to see or hear from a referee and to hopefully make your race a safe and enjoyable one.

If you have any questions please do not hesitate to speak to our referee at the race.

General Rules and Race Conduct...

- It is your responsibility as a competitor to know **all** the rules. As in most walks of life, ignorance is no defence.
- It is your responsibility as a competitor to know and correctly complete the full course of the event.
- Foul and abusive language is not permitted and any failure to obey a marshal, the police or a referee will lead to disqualification.
- Marshals are often volunteers, who help the event team with the running of the DB Max events. Please respect them and where possible, thank them for their efforts.
- No outside assistance is allowed at any time during your race.
- Please do not use iPods, mobile phones or any other device that may impair your hearing or concentration anywhere on the course (including transition), as this will lead to disqualification.
- When racing, you need to be aware of other competitors and the general public, both on foot and in vehicles.
- You **must** wear a safety helmet on the bike leg that is of ANSI Z90.4, SNELL B90, EN 1078 or equivalent. A CE mark is **not** an approved standard. The strap to your helmet must also be snug in its fitting and not altered in any way (definitely not elastic). Helmets will be checked when racking your bike.
- Any fittings on your bike (computers, mountain bike handlebar extensions, etc.) must be positioned so as to prevent injury in the event of a crash. All handlebars and tribars must be plugged. **This will be checked when racking your bike and you will not be allowed to race if your bike does not meet the required standards.**
- Nudity is not allowed. Competitors must keep their chest covered at all times on the cycle and the run, no matter how hot it is.
- Bikes **must** be racked on the racking provided using either the seat post, handlebars or brake levers. Bikes must not be racked anywhere else and anybody not racking in this way will be disqualified.
- Remember to place your equipment down, as thrown equipment may interfere with other athletes and lead to a penalty.
- Competitors are not allowed to mark their position in transition with any special device, or flag etc., and must be careful not to interfere with any equipment of other athletes, either deliberately or accidentally.
- At DB Max races competitors must not remove their bike from the rack until their helmet is fastened. They must not unfasten their helmet until their bike is back in the rack.
- Race numbers must be worn and must be clearly visible at all times. They must not be altered or mutilated in any way as this will incur a penalty.
- You must not mount your bike until advised to do so at the bike mount/dismount line outside of transition. There must be no cycling in transition.

Drafting....

Please see the attached document for the rules on drafting.

As long as you read this and follow the advice given, you should always be on the right side of the rules at all DB Max races.

Remember, our referee will always be willing to answer any questions you may have.

Enjoy your race....!
