TRAILER & CAR PARKING ARRANGEMENTS

Due to the recent and forecast weather, the NWSC has changed the arrangements for car and trailer parking with the Grass Bank being unsuitable for vehicles. Arrangements are detailed below.

It is essential that all drivers/attendees follow the parking instructions from the marshals, unfortunately this may mean not parking in an area you expected. Any vehicles not complying with directions will be reported and appropriate action taken.

The NWSC will endeavour to keep all parking areas safe, however there are busy road crossing and shared parking and pedestrian routes. Please take care in these areas.

Every effort has been made to check the grass parking areas for suitability. Unsuitable areas are marked with cones or tape. Should you become stuck please contact a member of NWSC staff or a parking marshal.
