

BUCS Regatta 2023

ENTRIES UPDATE @ 24 April

The 2023 BUCS Regatta has once again received a record number of entries, which is very encouraging for the sport. A key priority for the Organising Committee is to give a side-by-side racing opportunity for the maximum number of crews, as opposed to extending the length of the time trials.

The number of entries received for Sunday is above the maximum that we wish to accommodate within the time trials and as such, the below change will be made:

- **Men's Intermediate 2x** (Sunday) - All institutions will be allowed up to a maximum of 2 entries. Any further entries will be rejected and will not be charged for. Clubs are reminded that they may make 100% substitutions across their crews subject to rule 4.1.

The Organising Committee reserves the right to make further changes to the programme based on forecast and actual weather conditions.

A list of confirmed entries will be published by the morning of Tuesday 25 April with a schedule of racing by the end of the same day. For your planning, below is a summary of the expected timetable:
