

## Rejected Entries

Entries in black text did not meet the qualification times as stated on the entry information and event guide.

Entries in red text are entry times that meet the qualification time, however, that event was oversubscribed and therefore we had to cut from the bottom. These swimmers are 'reserves'. If anyone that is entered into that event withdraws before Wednesday the 17<sup>th</sup> of November at 5pm these reserve swimmers will be called up. The order of these reserve swimmers are in brackets, for example, Joe Bloggs (1) would be the first swimmer called up if someone withdraws.
