In Hockey, the BUCS Points available at National and Championship level, and at North/South and Vase level, have been combined and distributed differently to other sports, with a heavier weighting to the league. In National the teams finishing fifth to ninth receive more points than some of those teams above them as they do not progress to the Championship knockout competition. In North/South the teams finishing third to ninth receive more points than some of those teams above them as they do not progress to the Vase knockout competition.

In Men's Rugby Union, the BUCS Points available at National (BUCS Super Rugby) and Championship level have been combined and distributed differently to other sports, with a heavier weighting to the league. In BUCS Super Rugby, the teams finishing in ninth and tenth receive more points than some of those teams above them as they do not progress to the Championship knockout competition.
